TRIVIA

INSTRUCTIONS

AIM: To be the first player to correctly answer one question in each of the six categories.

PLAY: Appoint a question master to ensure fair play and questioning. The question master will pick a card of their choice and read the question aloud for all players to answer. The first player to answer the question correctly will keep the card, and select the next category. Play will continue in this way, with each winning player collecting the card which has been read and choosing the next category.

WINNING: The first player to collect one card from each category will win the game.

VARIATIONS

ALL PLAY

The game play is unchanged, but the person who wins the card becomes the question master in the next round.

AGAINST THE CLOCK

Players answer as many questions as they can in one minute.

IN TEAMS

The game play is unchanged and the fastest team to answer correctly will collect the card and chose the following category.

LUCKY DIP

The question master will pick a card at random and read it aloud, the winning player will then collect the card. Play will continue in this way until one player has a card from each category.
