How to Play

RULES

- 1** You'll need a minimum of 3 players. Everyone sits around a table.
- 2** To start playing, each player draws 7 Caption Cards. Caption Cards are the cards with captions on them. That's why we call them Caption Cards.
- 3** The youngest person starts as the judge. The judge looks through the Photo Cards and selects the 1 they want to judge for that round.
- 4** They show it to everyone and then place it on the easel in front of them. Everyone else takes a few moments to decide which of their 7 Caption Cards pairs funniest with the Photo Card in play and passes it to the judge, facedown.
- 5** Once the judge has received a Caption Card from each player, they shuffle them up and read them aloud 1 at a time. Make sure the Photo Card is visible to the whole group while the Caption Cards are being read. It's **wayyy** funnier that way.

6 The judge then selects the funniest Caption Card, and the player who played it wins that round. The winner keeps that Photo Card as a trophy (**1 Photo Card = 1 point**).

7 After the winner celebrates, everyone draws a new Caption Card to bring their hand back to 7, and the player to the judge's left becomes the new judge for the next round.

**HOW
TO
WIN**

The first player to collect the required number of Photo Cards wins! Feel free to change the number of Photo Cards needed to win if you want to play a quicker or longer game. Either way, we just want to make sure **you're having fun!**
