DRILL!

CHARADES

INSTRUCTIONS

SET UP

Split into teams. Shuffle the pack and place face down in the middle. Decide who goes first.

AIM OF THE GAME

To be the player or team with the most cards when the pack has run out.

RULES

To start the game, the first player takes the top card from the deck – it could be the name of a movie, TV show, book, song or a DIY action!

Once the timer's flipped, the player acts out the charade with actions alone – no speaking allowed. The others have just a minute to guess correctly, or the player has to put the card to the bottom of the pack, choose another one and play again. The person who guesses correctly gets to keep the card and decide who goes next. Play continues until all the cards have gone. The player with the most cards is the winner.
